**RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In the above-identified application, Applicants have received a Notification of Defective Response (the "Notification") mailed September 16, 2008 regarding the Sequence Listing filed May 16, 2008. Applicants note that the Notification did not include a marked-up "Raw Sequence Listing" and Applicants never received a copy of an error report. Applicants therefore searched PAIR and found the error report issued on June 12, 2008, setting forth that the <223> response for SEQ ID NO:1 is invalid, and requesting an explanation of "Artificial." Applicants hereby submit a corrected Sequence Listing in computer readable form (CFR) which recites "Synthetic Construct" instead of "Artificial." No new matter has been added. The corrected Sequence Listing filed herewith does not go beyond the disclosure of the present application as filed. The Commissioner is hereby authorized to charge any underpayment to Deposit Account No. 50-0951. Applicant requests entry of the corrected Sequence Listing filed herewith into the application and examination on the merits is respectfully requested.

Respectfully submitted,

**AKERMAN SENTERFITT**

Amy A. Dobbelaere, Ph.D.
